REQUEST FOR DRAWING CHANGE APPROVAL

Box Non-Fee Amendment  
Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

The Examiner's approval of the proposed new drawing on the attached sheet is requested. Such drawing, Figure 4, shows an engine in a vehicle with a cooling fan, separated by a clutch under the control of the electromagnetic actuator. This material is described in the application as originally filed, so it does not introduce new subject matter into the application. Accordingly, approval of the proposed drawing figure is respectfully requested.

Respectfully submitted,

YOUNG & BASILE, P.C.
